Calling All Brewers

The cost of entries is \$5 for the first beer and \$3 for each additional entry. Two bottles per entry are required. A category **and subcategory** must be specified for each entry using the 2015 bjcp style guidelines (guidelines may be found at <http://bjcp.org/stylecenter.php>). One entry per person per style subcategory (e.g. ok to enter a dry stout, sweet stout, and an oatmeal stout, but not 3 dry stouts by the same person). Meads and ciders are also accepted if labeled with style category and subcategory. Checks for entries should be made out to Ardy Miller.

Entry Recipe and Bottle ID forms must be provided with each entry. PLEASE don't tape Bottle ID forms to the bottles! Use rubber bands to secure the ID form around each entry. These forms are available to print at:
