Great Alaska Craft Beer and Homebrew Festival

Food Vendor Policies

- **Having been a vendor in previous years is not a guarantee of application approval.** Each vendor must apply for booth space annually.
- Vendors must own an existing business, run a booth at the SEAK Fair, or operate with a person holding a Food Management card. Each booth must have at least one person who holds a Food Handler card.
- Food must be offered under a 10' X 10' white canopy, or use one of the "C-booths."
- Fair staff will assign vendor spaces to accommodate traffic flow, and electrical needs.
- No children, including infants, or dogs are permitted at the Beer Fest.
- **ABSOLUTELY NO OUTSIDE ALCOHOL is permitted in the Festival. Vendors violating this policy will be asked to leave immediately.**
- Each concession is issued three vendor passes for admission purposes. Vendors wishing to enjoy the beers may purchase a festival glass for \$15.00 each. Additional team members must purchase admission tickets at full price.
- Any vendor needing to restock during the event must work with Fair staff beforehand to facilitate the gate procedure.
- Vendors must remit 5.5% sales tax to Haines Borough. Contact Jessie Badger at 766-2231 with questions.

I understand and agree to abide by the above policies. I have read and explained to the members of my team all the conditions and terms, and I take responsibility for their compliance.
